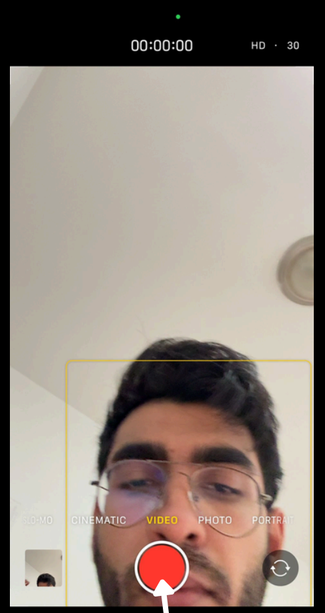
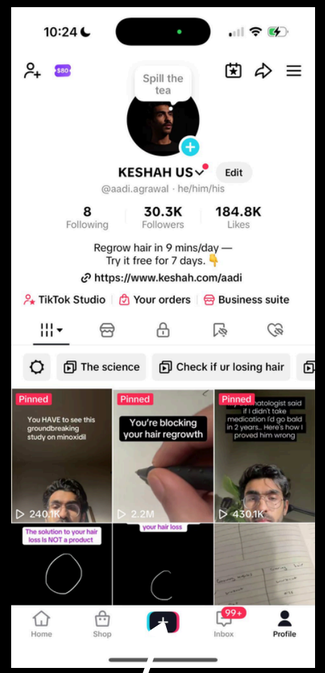
TikTok Posting Step-by-step

KESHAH

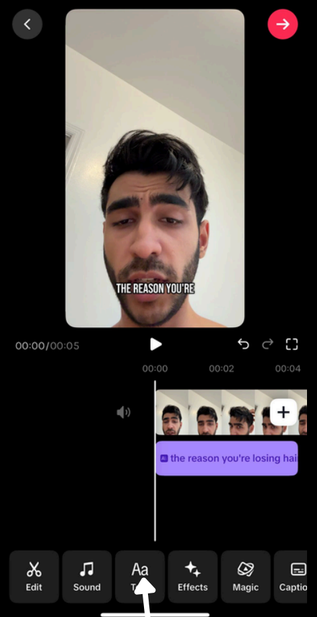


Record in camera app. Settings: HD, 30FPS

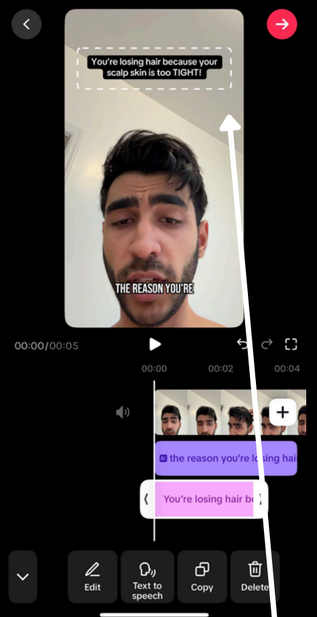


Open TikTok hit '+' icon

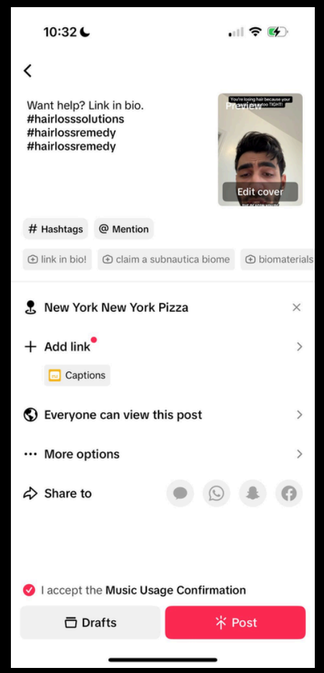
Select video and hit captions



TikTok will autogenerate captions. Click "Text".



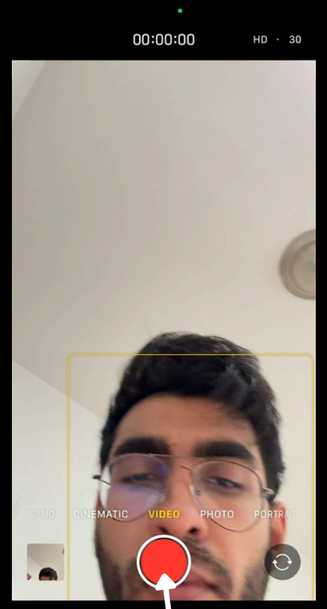
Type, position and select style for your header text.



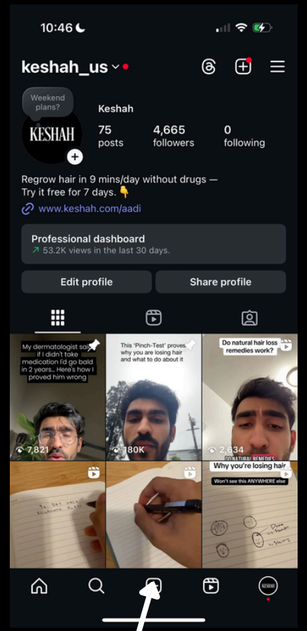
Insert bio, add hashtags, set your location and post!

Instagram Posting Step-by-step

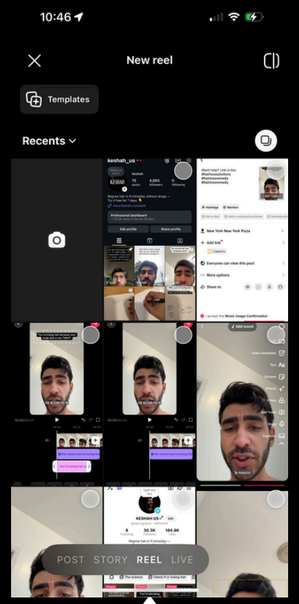
KESHAH



Reuse same video you just recorded for TikTok.

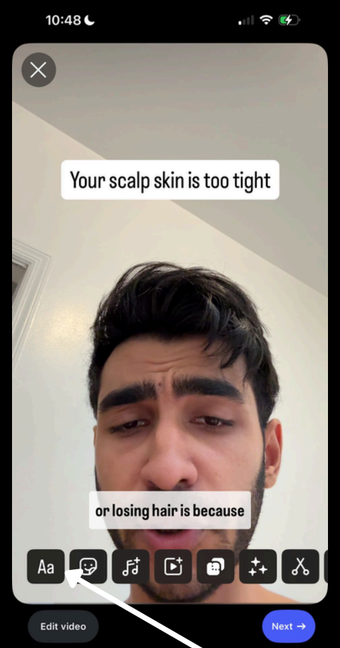


Open Insta hit '+' icon

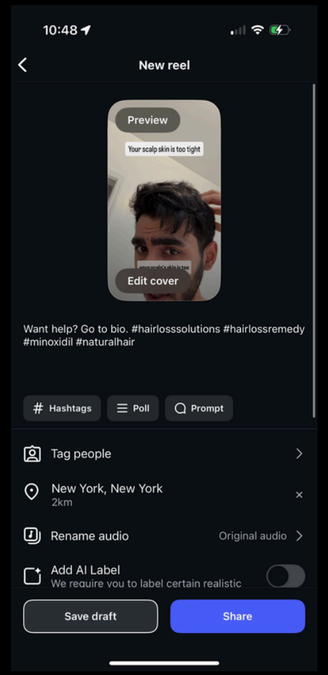


Select 'Reel' (IMPORTANT!) and then select your video

Click 'CC'. Insta will autogenerate captions.



Type, position and select style for your header text (Aa).



Insert bio, add hashtags, set your location and share!
